I have lived all my life in Piangil and worked for the Lands Department for 35 years. I am a Foundation Member of the Tooleybuc Sporting Club.

I have a long record of community service, much of it looking after club finances. I am a past player and was Treasurer of the Tooleybuc Bowling Club for 27 years. I have also been Treasurer of the Tooleybuc & Piangil District Fishing Club for 25 years, Treasurer of the Tooleybuc & Piangil District Action Group for 8 years, and Secretary/Treasurer of the Piangil RSL for 6 years.

I visit the Tooleybuc Sporting Club every day. I have seen a lot of changes over the years and have always taken an interest in what is happening around the Club.

I feel it is time I became involved in an official capacity, and the best way to do this is to become a Director.

For those who do not know me, and by way of introduction, here is a summary of my past and current employment. I have served on the Tooleybuc Sporting Club Board since 2022.

From 1990 to 1994 I held a liquor licence and was Hotel Manager and Licensee of The Hotel Alexandra in Leura, in the Blue Mountains of NSW. From 1994 to 1998 I was a Coach Captain with Greyhound Australia, driving interstate.

From 1998 to 2008 I was Contract Manager for JJ Richards & Sons, responsible for the supply of garbage disposal and recycling services on the East Coast of NSW. I applied for contracts as local and state governments put them to tender, and negotiated them on the company's behalf.

From 2008 to 2014 I was Contract Manager with Waste Management Services NSW, applying for and negotiating waste removal and recycling contracts for the NSW Government as they were tendered. This was a senior position: once the contracts were negotiated, I was also responsible for employing and deploying appropriately skilled staff.

From 2014 to 2018 I made a career change to become a Trainer Assessor with Operator Services QLD, training applicants to gain their heavy vehicle driver's licences.

Since 2019 I have been Manager and Operator of the Tooleybuc Club Motor Inn. If you would like any further information, please call me on 03 5030 5502 or drop into the Motel.

For the members who don’t know me, I would like to introduce myself.

I started my working career in 1974 as an apprentice sheetmetal worker and boilermaker, and continued my studies at RMIT to gain my degree in Mechanical Engineering.

In 1983 I started working for Esso BHP on an oil platform in Bass Strait, before moving back to a refinery in 1985. In 1990, with a young family, I started my own company as a contract engineer, working for the farming community of Werribee, Victoria.

In 1993 I was contracted to Luxford Engineering as a project manager doing on-site supervision, and later became factory manager. With Luxford I worked in the USA, Dubai and Europe overseeing major projects, before retiring in 2018.

I moved to Tooleybuc in 2021 and enjoy the fishing and the relaxed atmosphere.

I have served on the Tooleybuc Sporting Club Board since 2018, including three years as President, and helped guide the Club's Strategic Plan with the support of a very good team of Directors. I would like to give you a feel for who I am as a person and some clarity around how I operate.

I studied Agricultural Science at Melbourne University, then spent eight years working as an agronomist and consultant with farming clients across Victoria, predominantly in North-West Victoria. Since 2010 I have worked full time in our family's primary production business, where I am responsible for its management and strategic direction. Apart from a few advisory and board roles in the agricultural industry, my only other board commitment is the Tooleybuc Sporting Club.

I am a graduate of the Australian Grains Leadership Program (a 10-month leadership program) and of Rabobank's Executive Development Program (an 18-month program designed to build strategic planning and commercial management skills).

I am a local to the region and my family is active in sport in Tooleybuc, so I want to give back to the community where I can. I am married to Simone and we have three children – Charles, Bede and Eleanor.

The whole Tooleybuc Sporting Club team works best when we operate with integrity, honesty, respect and attention to detail, and that is what I offer. As a person, I get great satisfaction from connecting with and contributing to our community in a positive way. This can be challenging, but that is where the growth is for our community sporting club.
